

Sustainably made.
Packed with protection.

Dell EcoLoop Pro Slim Briefcase 15

An eco-conscious slim-fit briefcase designed for on-the-go protection for your Dell laptops.

EcoLoop™

Designed with the environment in mind

Dell EcoLoop™ labeled briefcase is produced with select materials and/or methods that reduce the environmental impact compared to traditional industry techniques. The briefcase's exterior main fabric is made with 100% recycled plastic, reusing approximately 11 plastic bottles.¹

Complete protection

Built with 360° foam cushion surrounding the laptop sleeve, keeping your computing devices protected from bumps and knocks.

This briefcase is made from heavy duty fabric that makes it water and dirt-resistant.

Capable carrier

It's thoughtfully designed to comfortably carry everything you need in your daily commute or business travel. Easily access your tech and essentials with the purpose built organizers and dedicated laptop/tablet sleeves, and the reflective accents increase visibility in low light.

¹ Plastic bottle estimate assumes a 500ml plastic water bottle.

Sustainably made. Packed with protection.

Slim-fit briefcase that's sustainable and packed with protection. Made with durable, weather-resistant and recycled materials and 360° protection. Our carrying cases are put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving their sturdiness and long-lasting durability for the protection of your belongings.

Adjustable, non-slip padded shoulder strap

Exterior main fabric made with 100% recycled plastic¹

Purpose-built organizer for tech accessories

Complete protection with 360° foam cushioning surrounding the laptop sleeve.

Durable fabric with extra durable coating at the bottom of the briefcase

Water resistant fabric

Navigate airports and train stations easily with luggage pass-through

EcoLoop™

Responsible dyeing process

Made with a solution-dyeing process for polyester that can generate up to 97% less greenhouse gas emissions, water impact, and fossil fuels than traditional dyeing processes.²

The **Dell EcoLoop Pro Slim Briefcase** exterior main fabric is made with 100% recycled polyester that can utilize up to 90% less fossil fuels than virgin polyester² and reusing approximately 11 plastic bottles.¹

Dell EcoLoop Pro Slim Briefcase protects Dell laptops up to 15.6"

The briefcase comes in packaging which is made of 100% recycled content in the hang tag, hang loop and plastic bag.

¹ Plastic bottle estimate assumes a 500ml plastic water bottle.
