

DATA IS THE NEW GOLD

Extract maximum data value with a more efficient storage platform.

5.4:1

data reduction ratio (DRR), surpassing its 5:1 DRR guarantee¹

Up to 2x

better DRR than the competitive platform¹

Up to 54%

less energy (watts) per platform required versus the competitive offering¹

Learn how superior data reduction technology drives business value.

Read the Prowess Consulting technical research report, ***“Choose High Data-Efficiency Technology for Lower Storage TCO.”***

Higher scalability

The Dell PowerStore 1200T offers **single-drive scalability**, which helps minimize storage expenses.¹

Ease-of-use

Prowess Consulting found the Dell PowerStore 1200T **easier to navigate and manage.**¹

Lower costs

The Dell PowerStore 1200T **stores the same sized dataset with fewer drives.**¹
