

# On-the-go protection and convenience

Dell EcoLoop Urban Sleeve 11-14 / 15-16

**Sustainably-made laptop sleeves in 2 sizes with retractable handle for hand-carry or store-in-bag options to protect your laptops from spills, bumps and scratches.**

**EcoLoop™**

#### Protection on-the-go

Designed with 360° foam cushion on the side walls keeping your computing device protected from bumps and knocks. Exterior main fabric made with 100% recycled polyester that can utilize up to 90% less fossil fuels than virgin polyester<sup>1</sup> and reusing approximately 2 (for 14" sleeve) / 3 (for 16" sleeve) plastic bottles.<sup>2</sup> Packaging is made with 100% recycled content in the hang tag, hang loop and plastic bag.

#### Convenient to use

Wide sleeve opening at the side featuring one zippered compartment lets you easily and smoothly load and unload your laptop. Zippered front pocket to easily access your basic accessories.

#### Lightweight and easy to carry

Easy to carry on its own while on-the-go with a handle that is retractable or slip inside another carrying case, which make it so convenient for daily use. The well-designed retractable handle is comfortable to carry laptop and helps eliminate snagging as you pull the sleeve out from your briefcase, backpack, or other bag, or put back into it.

# Made to move.

The ideal companion for your laptop, the lightweight sleeve is easy to carry on the go or slip inside your favorite bag.

Single retractable handle to allow user to choose between hand carry or placed into personal bag as sleeve. Reduce snagging issues when stowing into bags.

Zippered front pocket to store basic accessories

Exterior main fabric made with 100% recycled plastic<sup>2</sup>

Durable and water-resistant material

Wide sleeve opening at the side featuring one zippered compartment to store and keep your laptop safe and protected.

360° foam cushioning to protect contents from light drop impact from all sides including zipper protection from inside to avoid scratching.
