

# Experience crystal-clear conference-calls

Dell Pro Desktop Speakerphone

MODEL: SP3022

# Experience crystal-clear conference-calls

With the world's most intelligent\* Microsoft Teams certified speakerphone.

**Elegant design aesthetic**  
With a complementary style and finish, speaker sits easily on a monitor base, or beside a laptop or desktop.

**LED lights**  
Clearly indicate MS-Teams app status, call/hang-up, volume up, volume down, and mic mute/unmute.

**Full duplex audio**  
Allows multiple participants to speak simultaneously while still being heard, clearly.

**No extra clutter**  
Neat cable management mechanism keeps your workspace clean.

**Enhanced connectivity**  
Connect the speakerphone to monitors, laptops, or desktops via the USB-A or USB-C port.

**Stereo output**  
Delivers lows and highs with no distortion, whether conferencing or listening to music.

**Microsoft Teams button**  
Provides quick access to meetings and notifications.

**AI noise cancellation**  
Reduces background noise while preserving the clarity of human voices.

**Dell Display and Peripheral Manager\*\***  
Customize device settings like audio presets, notifications, and product updates.

\* Based on Dell analysis comparing against competitive personal conferencing speakerphones, October 2023.  
\*\* Dell Display & Peripheral Manager is compatible with Microsoft Windows 10, 11 and 11 on ARM operating systems only.

# Collaborate with added intelligence

Confidently work from home with a best-in-class audio experience that knows the difference between human voices and background noises and allows for a wider sound stage without distortion – so you can collaborate like you're there.

#1

## Most intelligent
