

The ultimate daily travel companion

Dell EcoLoop Premier Slim Backpack 14-16

A premium quality slim backpack with comprehensive protection for your tech essentials, smart organization both inside and outside, and unparalleled comfort and style, designed to enhance your fast-paced corporate life.

EcoLoop™

Designed with the environment in mind

- The backpack's exterior main fabric is made with 100% OceanCycle Certified® recycled oceanbound plastic and reusing approximately 18 plastic bottles¹
- Responsible dyeing process
- Comes in packaging that's made with 100% recycled content in the hang tag, hang loop and plastic bag²

All-around protection

- 360° impact protection design using XPE foam cushioning and mesh bumper on top, for complete protection
- Anti-scratch Nylex brushed-lining inside to protect your devices from scratches
- Made from premium and water-resistant fabric, keeping both your backpack and the items inside dry and well protected against weather elements.

Bring your office anywhere

- Spacious compartments with purpose-built organizers inside and outside keep all your essentials organized, protected, and effortlessly accessible on-the-go. Comes with built-in luggage pass-through
- Features stretch pocket on shoulder strap for Bluetooth® earbuds storage, magnetic expandable side pocket for your water bottle or other accessories and convenient in-bag changing.
- The contoured padded back panel is shaped to provide lower-back support for all-day comfort

¹ Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.
² Based on internal analysis, July 2024

The ultimate daily travel companion that's made for sustainability.

Spacious main compartment with organizers and zippered mesh pocket for work accessories and with enough space for files and documents

Quick-access zipper pocket with anti-scratch Nylex brushed-lining for protection of your accessories

EcoLoop™

Proudly OceanCycle Certified®¹

The exterior main fabric is made with 100% OceanCycle Certified® ocean-bound plastic from approximately 18 recycled plastic bottles collected from ocean coastline or major waterways.² This durable, yet sustainable fabric helps reduce our environmental impact while still protecting your tech gear and essentials while on-the-go.

Made with a solution dyeing process that can have up to a 97% lower impact on greenhouse gas emissions, 96% lower water impact, and 98% lower fossil fuel use per kg of material than traditional dye processes.³

The backpack ships in packaging that's made with 100% recycled content in the hang tag, hang loop and plastic bag.⁴

Dell EcoLoop Premier Slim Backpack 14-16 protects Dell laptops up to 16"

1 Only applicable on exterior main fabric.

2 Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.

3 These results were calculated using Higg MSI 3.8 available at app.worldly.io. They were calculated by Positive Scenarios Consulting, LLC and are not verified by Cascale or Worldly.
